**Instructions to Applicants:** A special-use permit allows developments listed in the Zoning Code which have been designated "special uses". These may be public service uses which, although generally considered desirable or compatible with other uses in the zone district in which they may be permitted, require special review. This review is performed by the Zoning Board of Appeals at a public hearing.

A notice of the hearing must be published in a newspaper of general circulation in the local area at least fifteen (15) days before the hearing and the publication cost must be paid by the applicant prior to the hearing. The applicant will be notified by mail of the time and place of the hearing at least ten (10) days prior to the hearing date. The applicant or his duly authorized agent must appear at the hearing and present his case to the Board of Appeals.

The applicant should be able to show, by a site plan and documentary evidence, that the proposed development will be in harmony with the general purpose and intent of the Zoning Code and will not be injurious to the neighborhood or otherwise detrimental to the public welfare.

All information requested below, a site plan as described on the attached sheet, and a development schedule providing reasonable guarantees for the completion of the construction must be provided before a hearing will be scheduled. Applicants are encouraged to visit the Office of the Zoning Administrator for any assistance needed in completing this application.
